- EARLY 1941 ROSTER OF SCAWH PERSONNEL -

Printed in the 9 March 1941 Edition of The Honolulu Advertiser was a poorly rendered picture of the Signal Company, aircraft Warning, Hawaii under the caption of "Crack U.S. Defense Units Stationed On Oahu". Beneath the picture was a roster of the assigned personnel. The roster, which may be the only one now in existence, lists all personnel, and their rank, who were assigned to the organization in late February and early March of 1941. The short text appeared in the back sections and has been lost, but it did state that SCAWH had been activated at Ft. Monmouth, N.J. on 14 august 1940 with the initial cadre of personnel then being trans- to Schofield Barracks, T.H. The entire roster is reproduced below:
