PC APPENDIX A
Army Stormwater Management Using Low Impact Development Memorandum

DEPARTMENT OF THE ARMY
OFFICE OF THE ASSISTANT CHIEF OF STAFF FOR INSTALLATION MANAGEMENT
600 ARMY PENTAGON
WASHINGTON, DC 20310-0600

DAIM-OD

21 SEP 2015

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army Stormwater Management Using Low Impact Development

1. References.

a. Memorandum, ASA(IE&E), 16 Dec 2013, subject: Sustainable Design and Development Policy Update.

b. Memorandum, Deputy Under Secretary of Defense (Installations and Environment), 19 Jan 10, subject: DoD Implementation of Storm Water Requirements under Section 438 of the Energy Independence and Security Act (EISA).

2. The Land Holding Commands concurred with the Army's implementing guidance titled *Army Stormwater Management Using Low Impact Development*. The incorporation of low impact development (LID) best management practices (BMPs) as a means to manage stormwater is effective starting in FY15 for Military Construction, Army, and all projects funded with other appropriations.

3. This guidance provides users with the information needed to ensure compliance with stormwater management requirements. HQDA developed LID planning, design and cost tools and provided training for master planners, design engineers and stormwater managers. Army LID references are available at the following USACE website: https://mrsi.erdc.dren.mil/sustain/cx/lid.

4. My point of contact for this action is Mr. Bill Sproul, 571-256-3961 william.e.sproul2.civ@mail.mil.
