MEMORANDUM FOR Directorates, Active Duty and Reserve Components, Tenant Activities and Agencies, Military Housing Residents, and Off-post Units/Agencies Utilizing United States Army Garrison, Hawaii (USAG-HI) Facilities

SUBJECT: Policy Memorandum USAG-HI-51, Open Burn Policy

1. References.

a. Clean Air Act of 1970, United States Code, Title 42, Subchapter 85, Sections 7407, 7410, and 7416.

b. Army Regulation 200-1, Environmental Protection and Enhancement, 13 Dec 07.

c. Hawaii Administrative Rules, Title 11, Subchapter 3, Sections 11-60.1-51, 11-60.1-52.

2. Purpose. To provide an open burn policy that complies with Federal, State, and Army regulations.

3. Scope. The scope of this policy memorandum includes all open burning activities. Open burning is the burning of any material that emits smoke directly into the air. Such materials include, but are not limited to, classified documents, leaves, wood, rubbish, etc.

4. Applicability. This policy applies to all USAG-HI Directorates, active duty and reserve components, tenant activities and agencies, military housing residents, and off-post units/agencies utilizing USAG-HI facilities.

5. The Open Burning Fact Sheet (enclosed) provides a summary of open burning information related to this policy, and can also be found on the Garrison Sustainability and Environmental Management website at:

<http://www.garrison.hawaii.army.mil/sustainability/AtoZ.aspx>

6. Command Policy.

a. No person shall conduct open burning at any time on the USAG-HI installation unless prior approval is granted by the Directorate of Public Works (DPW), Environmental Division and State of Hawaii Department of Health, Clean Air Branch. The DPW, Environmental Division MUST be contacted prior to the planning of any open burning.
