

U.S. ARMY HAWAII

ENVIRONMENTAL POLICY

While always balancing the unique considerations of Mission, Community and the Environment, U.S. Army Hawaii will continuously strive to improve its environmental performance and seek to:

- **Lessen our Environmental Footprint and Prevent Pollution;**
- **Minimize our Impact on the Hawaiian Land;**
- **Conserve, Preserve and Protect our Natural and Cultural Resources;**
- **Comply with All Applicable Environmental Laws and Regulations.**

Our Guiding Principles

We will instill a sustainable ethic in everything we do, acknowledging the Army's global responsibility for environmental stewardship.

We will act locally to perpetuate a harmonious balance with Hawaii's unique economic, natural and cultural resources by educating our workforce to perform their everyday duties in a Pono manner.

We will preserve and protect today's resources for tomorrow.

We will nurture the trust of the Hawaiian Community, working in concert for the benefit of all in Hawaii.

We will do this in concert with our solemn obligation to the American people to prepare combat ready forces capable of deterring conflict, defending our homeland, and winning our Nation's wars.

Our Commitment

- **Conserve Energy and Water**
- **Reduce Waste, Reuse Materials and Increase Recycling**
- **Seek Alternatives and Lower Fuel Consumption and Air Pollution**
- **Protect Hawaii's Ground and Surface Waters**
- **Purchase Green Products When Available and Economically Reasonable**
