The Army Publishing Directorate's Media Distribution Division has been unable to provide any word on the availability date of these forms for issue. In the meantime, the USAG-HI Forms and Publications Control Officer is maintaining a back-order list for both these forms. Please call Mr. Don G. 2. CHARGING OF PERSONALLY OWNED ELECTRIC VEHICLES ON ARMY INSTALLATIONS IN HAWAII. The numbers of privately-owned electric vehicles on Army Installations in Hawaii is increasing. US Army Garrison - Hawaii has begun discussions with the Army and Air Force Exchange Service (AAFES) about establishing commercial charging stations available for customers to purchase battery charging. We welcome your feedback and input on where charging locations might best serve our population. While we work through the issues around establishing such a service, all Soldiers, civilians and Family members are reminded that it is illegal to use government-procured electricity to charge their personally owned electric vehicles. It is stealing, and will be treated as such by Law Enforcement personnel and should be by all Army Leaders as well. We welcome your feedback and appreciate your cooperation. For further information and guidance, please contact Mr. Howard Johnston, USAG-HI Deputy Garrison Commander at 656-1153.

3. AIR CONDITIONING REPAIR BACKLOG. The Directorate of Public Works is currently experiencing a backlog of up to 6 months on Air Conditioning trouble calls due to manpower shortages. Our current backlog exceeds 300 trouble calls. If you are having

problems with a window unit, you may wish to use your Government Purchase Card to contract an outside vendor for repairs. Although the DPW will not be able to reimburse organizations for these repairs, it may result in you being much happier with the timely service. Otherwise, we ask that you be patient and we will get to you as soon as we can in the order that your request for service was received. We apologize for the inconvenience. We expect this condition to last for at least the next 4 months. This information does not apply to, nor affect Family Housing in any way.

4. WATER FILL POINT AT SCHOFIELD BARRACKS. Need to fill water buffaloes or other equipment? Please contact Ms. Liana Lee, DPW Environmental Division, at 656-7221 or liana.n.lee.civ@mail.mil, for information on the water fill point and a location map.

All Directorates, Military, and Tenant Activities are required to pick up Official Mail on a daily basis from the Official Mail and Distribution Centers (OMDC), Bldg. 2038, Schofield Barracks and Bldg. T-116, Fort Shafter. Unit/Office mail personnel must be designated in writing by their unit/office and copy of the memorandum of appointment maintained on file at the appropriate OMDC before mail will be released. The memorandum should designate a primary and an alternate assigned individual as needed, and must be updated whenever personnel change. Mail that is not picked up at OMDCs for five consecutive work days will be "returned to sender" without exception. It is the proponent's responsibility to pick up mail daily and have a designated alternate available for mail pickup at all times. Official Mail requires daily pickup because much of it is time-sensitive and all is important to the recipient; units/offices cannot be negligent in their duty to receive mail and should not assume that official mail should be picked up only when it is convenient to do so. Incidents of negligence in mail pickup will be reported to Commanders, Directors, or Chiefs for corrective action.

Customers are reminded to consult the staff of the OMDC at Schofield Barracks (655-6374) or at Fort Shafter (438-6253) for assistance in preparing official mailings. If letters parcels, or packages are received incorrectly labeled, items will be returned to the unit/agency for correction with no exceptions. All labels shall be typed; no hand-written labels will be accepted. Use STOP NUMBERS and complete office addresses/names (Attn./)agencies to ensure shotgun envelopes reach their destination. (For current Stop Numbers, please see USAG-HI PAM 25-55, 4 Sep 12.) For further information, please contact the Official Mail and Distribution Centers or Ms. Anna Tarrant, Chief, Administrative Services Division, Directorate of Human Resources, SB, at 655-5033.

I. SOLDIER/FAMILY/CIVILIAN READINESS

1. **LEGAL ASSISTANCE OFFICE.** The Schofield Barracks Legal Assistance Offices can provide free legal assistance to active duty personnel, family members, retirees, and certain Department of Defense personnel. The Schofield Barracks Office is staffed with personnel from 25th Infantry Division and U.S. Army Garrison-Hawaii but serves eligible clients from all units and is the only Army legal assistance office in Hawaii. The offices provide assistance on issues including, but not limited to: estate planning services (including wills and advance medical directives), consumer affairs, guardianship, divorce, taxes, landlord-tenant law, military administrative matters, and insurance claims. Additionally, notary services and powers of attorney are available from every Brigade legal office on Island and at the legal assistance office on a walk-in basis. If you would like more information or know that you would like to schedule an appointment to meet with an attorney, please visit or contact our office during our regular business hours listed below:

Schofield Barracks, 278 Aleshire Ave., Bldg. 2037, (808) 655-8607.
MTWF 0930 – 1600 & Thu 1300 – 1600: Scheduled Appointments, Powers of Attorneys & Notarizations.
(Tue) 0930 – 1600: Appointments on a walk-in first-come first-serve basis.

2. **LEGAL COUNSEL AVAILABLE TO HELP SOLDIERS WITH THE INTEGRATED DISABILITY EVALUATION SYSTEM (IDES) IN HAWAII.** Soldiers undergoing a medical evaluation board sometimes feel lost and confused with the significant decisions they have to make that will affect their military careers and the rest of their lives. The Office of Soldiers' Counsel is the Army's team of qualified and trained attorneys and paralegals who assist Soldiers in the Integrated Disability System (IDES). They are advocates who provide in-depth information, expert legal advice and effective representation throughout IDES for Soldiers and their family members. The Office of Soldiers' Counsel provides the legal support and services to help Soldiers and their family members navigate the IDES and fully understand their legal rights and options.

The OSC includes two types of legal counsel: Soldiers Medical Evaluation Board Counsel (SMEBC) and Soldier's Physical Evaluation Board Counsel (SPEBC). Both types of counsel are available in Hawaii and both offices are staffed with OSC Headquarters-certified attorneys and paralegals specially trained in disability law, medical evaluation boards and the Integrated Disability Evaluation System (IDES).

The SMEBC staff establishes attorney-client relationships with Soldiers going through the MEB process. They are the Soldier's advocates through the MEB process; they do not represent the MEB providers, the MTF, or the Soldier's command. The goals of the SMEBC staff are to ensure Soldiers receive fair assessments of their medical conditions and that Soldiers' medical conditions are accurately documented during the MEB process. During the course of representation, SMEBC attorneys may prepare independent medical review requests, rebuttals to the MEB findings, and requests for reconsideration of VA ratings. Upon receiving the results from the IPEB, Soldiers can consult with a SMEBC to review their informal PEB and VA findings. The SMEBC can prepare an appeal to the informal PEB findings or if the Soldier elects a formal PEB hearing, the SMEBC will transfer the case to the Soldiers' PEB Counsel.

Soldiers are encouraged to come to the SMEBC office as early as possible to maximize the opportunities available prior to referral into the IDES process. The SMEBC office provides briefings for Soldiers once they are referred into the IDES process. The office is located in room 3B, Tripler Army Medical Center. To schedule an appointment call (808) 433-4635/9769. Hours of operation are Mondays – Fridays, 0900-1630. Walk-ins are accepted but contingent upon availability of counsel.

3. **VOTING ASSISTANCE INFORMATION.** The Installation Voting Assistance Officer (IVA) serves as a Voter Registration Agency under the National Voter Registration Act and provides the following services:

4. **PASSPORT INFORMATION FOR SOLDIERS WHO WILL PCS TO AN OVERSEAS ACCOMPANIED TOUR.** The Directorate of Human Resources (DHR) Reassignments Section now has a permanent passport agent that processes only dependents official passports and Visas. Contact the Passport agent, Mr. James Castillo at (808) 655-7182 or email james.g.castillo.civ@mail.mil to schedule an appointment. The website to access the application form is: <http://travel.stte.gov/passport/forms/ds11/ds11842.html>.

5. **ID CARD APPOINTMENT SYSTEM AT SCHOFIELD BARRACKS.** The US Army Garrison-Hawaii has implemented a new ID Card Appointment System at the Directorate of Human Resources' (DHR's) ID Card Office at Schofield Barracks. The appointment system replaced the walk-in, first-come first-serve system with appointments from 0800 through 1530 daily. Customers are encouraged to access the Schofield Barracks ID Card Appointment Scheduler website at <https://rapids-appointments.dmdc.osd.mil> to make, change, or cancel ID card appointments. ID Cards may be renewed up to 30 days prior to expiration. By accessing this on-line, user-friendly, internet-based system, customers are now able to schedule their card appointments and to plan their other daily activities without the uncertainty of visiting the ID Card office and possibly having prolonged waiting times for service. A computer system is available in the ID Card office for walk-ins to make or change appointments, as necessary. For customers without internet access, the ID card office accepts telephone requests for appointments at (808) 655-1272. Walk-in requests for service are handled on a case-by case basis with documentation to substantiate the emergency. For further information on the ID Card office location, hours or operation, required documentation, etc., please visit the US Army Garrison website at <http://www.garrison.hawaii.army.mil/sites/services/idcard.asp>, or contact Mr. Danny Mauga, Schofield Barracks ID Card Office at 655-8940.

6. **REQUIREMENTS FOR NEW OR REPLACEMENT CAC/ID CARDS.** The Department of Homeland Security issued an identification security directive for the issuance of new or replacement Common Access Card (CAC) or ID Cards for military personnel, authorized civilians, retirees, and family members. Among the many changes to the ID Card issuing process, the most important is that each customer must now present two forms of identification, one of which must include a current photograph. The DEERS/RAPIDS system will not produce a new CAC or ID Card without first scanning the two forms of identification into the data base maintained by the Defense Manpower Data Center (DMDC) in Alexandria, Virginia.

Some documents that can be used for positive personal identification are as follows:

- a. Driver's license or ID issued by a state or outlying U.S. Commonwealth or possession.
- b. ID card issued by federal, state, or local government agencies or entities.
- c. School ID card with photograph.
- d. Voter's Registration Card.
- e. U.S. Military ID card.
- f. U.S. Passport.
- g. Certificate of U.S. Citizenship.
- h. Certificate of Naturalization.

For those younger than 18 who are unable to present a document as listed above, the following are acceptable:

- a. School Record or Report Card.
- b. Clinic, doctor or hospital record.
- c. Day-care or nursery school record.

The listing above is not all inclusive. A complete list of acceptable documents can be found on the United States Citizenship and Immigration Service (USCIS) website at www.uscis.gov/files/form/I-9.pdf, page 4. If you have any questions as to the proper documentation needed, please call first before visiting a Military ID Card issuing facility to determine what specific documents may be required, and to verify the process to renew or replace an ID Card.

A unit fund is a non-appropriated fund activity of the USAG-HI Installation Morale, Welfare and Recreation Fund (IMWRF) established to provide monetary support and enable unit commanders to supplement available appropriated funds (APF) for providing morale support to unit military personnel. Unit funds are intended to contribute to the comfort, pleasure, contentment, mental and physical welfare of the unit Soldiers and must be used for the benefit of all members within the unit. Allocation of all unit funds is based on a ceiling determined by the USAG-HI IMWRF, approved by the Installation Community and Family Program Review Committee (ICFRC), and the USAG-HI Commander. Unit funds are distributed and expended annually, based on requirements. All unexpended balances revert back to the IMWRF at the end of each fiscal year (30 September). No unit owns or controls interest in the Installation MWR Funds. (1) SOP IMHW-SO-1, Standard Operating Procedures for Driver and Equipment Licensing Program, 14 Aug 14, (Safety Office). For copies of this document, contact Mr. William N. Maxwell, Safety Specialist, at 656-1174 or william.n.maxwell.civ@mail.mil.

2. UPDATE ON DA FORM 4980-14, ARMY COMMENDATION MEDAL (ARCOM). The DA Form 4980-14, ARCOM, has not been available from the Army Publishing Directorate (APD) in St. Louis since February 2014 due to printing contract issues. Apparently, a printing error has delayed issuance of this form, and it is not expected that APD will be sending out new copies of the form for at least another month. The USAG-HI Records Holding Area/Forms Center is out of this form. However, we have maintained a back order list of units and contacts needing this form and will issue accordingly when they are received in this office. For further information, please contact the RHA/Forms Center Manager at 656-0334.

3. UPDATE ON DA FORM 4980-18, ARMY ACHIEVEMENT MEDAL (AAM). The DA Form 4980-18, AAM, was issued and distributed by the Army Publishing Directorate (APD) after a contract delay, but unfortunately the new issue contains a typo. APD has not issued any guidance to date on when a corrected form will be issued to the field. In the interim, they have suggested that the form be used if necessary (for example, at presentation ceremonies) and replaced later with the corrected form when it becomes available. For further information, please contact the RHA/Forms Center Manager at 656-0334.

4. REVISED DoD FORM 577 ISSUED. DoD has issued a new DD Form 577, Appointment/Termination Record – Authorized Signature, effective 1 Jul 14. Previous editions of this form are obsolete and should not be used. For further information, please contact Mr. Frederick M. Spielman, Program Evaluator, Internal Review and Audit Compliance Office at 656-1231.

5. CONTACT FOR COORDINATION OF USAG-HI PUBLICATIONS. All Directorates and tenant organizations are reminded that the contact for coordinating the review, approval and publication of all USAG-HI numbered publications (Regulations, Memorandums, Circulars, Pamphlets, SOPs, Supplements and Policy Memoranda as well as Delegation of Authority Memoranda) is the USAG-HI Forms and Publications Control Officer, Mr. Don Boyer, Directorate of Human Resources (DHR), Administrative Services Division (ASD). Completed publications are posted to the USAG-HI website at: <http://www.garrison.hawaii.army.mil/command/documents.htm>.

Publications are also posted to the IMCOM DHR Theater Portal at: <https://portal.usarpac.army.mil:36000/imcom-pacific/Garrisons/Hawaii/hiHROffices/USAGHIPUB/default.aspx>.

USAG-HI-generated command and local forms are also coordinated through this office. Call Mr. Boyer at 656-0334 or email don.g.boyer.civ@mail.mil for further information.

6. POINT OF CONTACT FOR PUBLICATIONS AND BLANK FORMS ACCOUNTS. Organizations and units maintaining publications accounts in accordance with DA PAM 25-33, “User’s Guide for Army Publications and Forms” are reminded that the point of contact for all actions involving new publications accounts, changes to accounts and closing of accounts is the USAG-HI Forms & Publications Control Officer, Mr. Don Boyer, Directorate of Human Resources (DHR), Administrative Services Division (ASD), at 656-0334, or email don.g.boyer.civ@mail.mil. All DA Form 12-R, “Requests for Establishment of a Publications Account,” must be forwarded to Mr. Boyer for review and approval prior to submission to the Army Publishing Directorate (APD), St. Louis. Forms submitted to APD directly are returned without action by APD, which will delay establishing an account or correcting problems. For contractors, requests for publications accounts to support their mission must be processed through their respective Contracting Officer’s Representative (COR). Information on mailing addresses for publications accounts and establishing an account when preparing for deployment are covered in the items below. Once an account is established, units may order publications from the APD website at www.apd.army.mil.

To obtain sensitive blank forms and high-use forms not available through the Army Publishing Directorate (APD) website, units will need to establish a “local” publications account with the Records Holding Area/Forms Center (RHA/FC) at Bldg. 6042, 1976 Higgins Rd., East Range. Please be aware that the RHA/FC no longer stocks publications of any kind, medical record forms or other medical forms. Medical-related forms and publications can be obtained from the Tripler Army Medical Center (TAMC) via Mr. John Berry at 433-6071. All publications are obtained from the Army Publishing Directorate via unit publications accounts. (Also see the “Forms Acquisition” notice below. For further information, please contact Mr. Don G. Boyer at 656-0334 or don.g.boyer.civ@mail.mil.)

7. DUPLICATION OR PRINTING OF PUBLICATIONS. Publications that are downloadable from the Army Publishing Directorate website requiring duplication in quantity by organizations/units shall be done through the Defense Logistics Agency (DLA) Document Services Office (formerly DAPS). Publications will not normally be printed via commercial local printing sources. (Use of such sources without first consulting with the Document Services Office could be considered and unauthorized procurement.) For information on document production, please contact Ms. Gloria Gonzales, DLA Document Services Office, Bldg. 2038, Schofield Barracks, at 655-1400. Small documents may be reproduced on unit copy machines when such use does not exceed the limitations of the copy machine or its monthly usage quotas. For further information, please contact the USAG-HI Forms and Publications Control Officer, Mr. Don G. Boyer at 656-0334 or email don.g.boyer.civ@mail.mil.

8. POINT OF CONTACT FOR ACCOUNTABLE FORMS. Organizations needing accountable forms should contact the USAG-HI Forms and Publications Control Officer, Mr. Don G. Boyer, at the Directorate of Human Resources, Administrative Services Division, Records Holding Area/Forms Center, Bldg. 6042 East Range, Schofield Barracks. Accountable forms are issued via the DA-410 Receipt for Accountable Forms. All units wishing to obtain accountable forms must present a DA Form 1687, Notice of Delegation of Authority – Receipt for Supplies signed by the appropriate OIC before forms will be issued. The DA 1687 will list those within a unit authorized to pick up accountable forms and will be updated as necessary when personnel change. For further information, please call Mr. Don G. Boyer at 656-0334 or email don.g.boyer.civ@mail.mil.

9. PUBLICATIONS AND BLANK FORMS ACCOUNTS FOR UNITS DEPLOYING OVERSEAS. Army Units that are deploying overseas or are already deployed are required to set up a “V” Publications and blank forms account with the European Command to use while deployed. Establishing this overseas account can be started up to 60 days prior to deployment to accommodate the fact that some units will not have fax or scanning capabilities once deployed; as soon as you arrive in country you can contact the proper office to activate the account. The website to use is https://aepubs.army.mil/ae/public/aepubs_main.asp (underscore between “aepubs” and “main”). Click on the FAQ tab on the left, then click on question #3 and answer “no” and click “Submit.” Within 2 working days of submitting a DA Form 12-R as shown above, the unit publications manager will receive account information that will allow him or her to establish subaccounts, subscriptions, a library, and a forms maintenance list. Once deployed, the publications manager must contact the USAPDCE Customer Service Desk, customer.service.aepubs@eur.army.mil, to provide the deployed official mailing address, unit telephone number, and official email address if different than the email address already provided. Once this information is received, the account will be activated within 5 work days, and the publications manager will be able to order publications and blank forms while deployed. If you have any questions or need additional assistance, contact the USAPDCE Customer Service Desk: DSN: (314) 384-6881/82/83/84 or Commercial: (49) 0621-730-6881/82/83/84. The new Army In Europe Publishing System (AEPUBS) Account Management Guide governing overseas accounts is available from the Army Publishing Directorate website at www.apd.army.mil. Deploying units may have their current (local) Publications Account remain active IF the unit will have a Rear Detachment that will need forms or publications while the unit is deployed. Rear Detachments can only order forms and publications for themselves, NOT for the deployed portion of the unit. Otherwise, the local Publications Account should be frozen or closed until the unit returns. Deployed units MUST receive all their publications, including blank and sensitive forms, from their overseas publications account, and will need to coordinate with USAPDCE for all publications needs. Also, units preparing to deploy cannot “stockpile” forms or publications through requisitioning forms at the Records Holding Area/Publications Center, East Range, prior to deployment. Establishing an overseas account prior to deployment obviates the need for such actions. Prior to returning from deployment, units can close their “V” account and reestablish and account locally. Publications or blank forms received from the European Command while deployed overseas, should not be returned to the office of issue. Excess Forms, Pubs, etc. should be brought back with the units to their main HQs in CONUS. Note that deployed units preparing to return to CONUS have 90 days to order and receive sensitive forms in quantities needed for issuance to their Soldiers upon return to CONUS. These are items such as DA 4980-12 (Meritorious Service Medal), DA 4980-14 (Army Commendation Medal), DA 4980-18 (Army Achievement Medal), DD-714 (Meal Card Control Book), promotion certificates and other accountable or sensitive forms that will be need to be issued in quantity upon return from deployment. The USAG-HI Forms Center only has limited quantities of these forms available per month and cannot cover large quantity needs without advance planning. For further information, please contact Mr. Don G. Boyer, USAG-HI Forms and Publications Control Officer, DHR, ASD, at 656-0334 or don.g.boyer.civ@mail.mil.

10. FORMS ACQUISITION, USAG-HI RECORDS HOLDING AREA/FORMS CENTER (RHA/FC). Sensitive and high-use forms can be obtained from the Directorate of Human Resources RHA/FC, Bldg. 6042, 1976 Higgins Rd., East Range. Entrance to the forms center is at Door #2, north side of the building. Procedures for obtaining forms are as follows:

a. All unit publications NCOs need to ensure that a DA Form 1687 (Notice of Delegation of Authority – Receipt for Supplies) is maintained for their unit with the unit's RHA/FC account number and is up to date when sending Soldiers to obtain forms. Updated copies should be provided to the RHA/FC Manager whenever there are changes. Individuals coming to the RHA/FC for forms must be listed on the appropriate DA Form 1687.

b. Soldiers picking up forms must have a completed DA-17, Requisition for Blank Forms/Publications, listing the required items, (to include both form title and form number) and quantities of each desired. A complete listing of forms by number and title is CRITICAL to our providing quality service to Soldiers. Please call beforehand if possible to ensure the needed forms are actually available – a list of the 163 forms currently stocked at the Forms Center is available upon request. Out of stock items can be ordered at that time if needed.

c. Soldiers should be aware that many forms are restricted by the form proponent as to the number of copies that can be ordered at any one time and that the RHA/FC has limited control over quantities ordered. Normally, quantities requested by units should be restricted to the minimum amount needed for one to two month's operations. We can make requests through the Army Publishing Directorate for increases in quantities if the need is justified and documented by the end user, but it remains within the authority of the form proponent to approve or disapprove quantities issued. For more information, please contact Mr. Don G. Boyer, USAG-HI Forms and Publications Control Officer, DHR, ASD, at 656-0334 or don.g.boyer.civ@mail.mil.

11. USE OF NON-RESIDENT VEHICLE CERTIFICATES (CITY AND COUNTY OF HONOLULU FORM CS-L (MVR) 50.

[NOTE: All regulations and requirements pertinent to the use of this form are those of the City and County of Honolulu, not the U.S. Army.]

Soldiers not residents of the State of Hawaii can waive the weight tax due on their privately-owned vehicles when registering their vehicles at one of the City and County of Honolulu licensing centers located at the Satellite City Halls (a nominal processing fee will be charged). This does not apply to leased vehicles and vehicles registered in a dependent's name only. The City and County of Honolulu Form CS-L (MVR) 50 is used for this waiver process and must be an original document (to include the information and signatures). PHOTOCOPIES OF THE FORMS WILL NOT BE ACCEPTED AT THE DMV OFFICES. City and County of Honolulu regulations require that individuals who are signing the form on behalf of an active duty Soldier must have a completed Power of Attorney submitted with the form. The Power of Attorney must be an original or notarized document (No copies) and must have valid dates.

If the applicant is also the commanding or personnel officer of a unit, they cannot certify their own non-residency form; they must have a unit senior certify their form. Active duty Soldiers must go to their S-1/Personnel and Administrative Center (PAC) to obtain the forms. ALL PERSONNEL ARE REMINDED THAT ONLY ACTIVE DUTY ARMY PERSONNEL ASSIGNED TO A HAWAII ARMY UNIT AND THEIR QUALIFYING SPOUSES MAY USE THESE FORMS. ISSUANCE OF THESE FORMS SHOULD BE CONTROLLED AND RECORDED TO ENSURE NON-QUALIFIED PERSONNEL ARE NOT ACQUIRING THESE FORMS. Units not structured under a PAC should report to the administrative office that dispenses these responsibilities.

Note that the Non-Residency Form is restricted to use by active duty Soldiers who are NOT residents of the state of Hawaii AND are assigned to a Hawaii-based Army unit, with the exception for active duty resident Soldiers noted below. If a Soldier transfers out of a Hawaii-based Army unit but the family remains behind, the family no longer qualifies for use of the Non-Residency Form.

The City and County of Honolulu Department of Motor Vehicles has extended the qualifications for use of the non –residency form to register vehicles with the State of Hawaii. Under current guidance, active duty Army Soldiers assigned to a Hawaii Army unit who are RESIDENTS of the State of Hawaii and their qualifying spouses now qualify to register ONE non-commercial vehicle using the non-residency form. Cost is \$72.50. (This cost-savings is limited to only one vehicle, whereas non-residents may register all their qualifying vehicles.)

Department of Defense Civilian employees, contractors and other civilian personnel working for US Army Hawaii do NOT qualify for the use of the Non-Residency Form unless special conditions apply or such personnel have been "grandfathered" in from prior arrangements with the City and County of Honolulu Licensing Administrator. (All questions regarding this aspect of the use of the Non-Residency Form must be directed to the City and County of Honolulu Licensing Administrator's office.)

Units/Organization G-1/S-1 or PAC offices must obtain these forms from the Records Holding Area/Forms Center, Bldg. 6042, East Range (656-0334). Due to the sensitivity of these forms, and the potential for misuse, they will not be forwarded through mail distribution. It is the responsibility of the 1SG, PAC NCOs, Administrative NCOs and Adjutants to ensure that Staff Duty Officers/NCOs individually sign and issue these forms to members assigned to their units. Receiving Soldiers/Spouses should complete and sign the form in the presence of the approving official. Blank forms or blank pre-signed forms will not be issued at any time.

Community Bulletin 200857WMAR 14 was issued to remind all Army personnel and Families regarding the proper completion and use of the Non-Residency Form. The City and County of Honolulu Department of Motor Vehicle Registration has reported an increase in the number of incorrect forms submitted to their offices when Soldiers are registering their vehicles. These forms must be completely filled out and signed before taking the form to the DMV, and must be the original form, NOT copies. The rules for the

use and submission of this form are those of the City and County of Honolulu, not the US Army, and it is incumbent on all Army issuing G/S-1 or PAC offices to ensure the proper completion of this form by using Soldiers and qualifying spouses in order to avoid inconveniencing both the Soldier and the DMV personnel.

The Standing Operating Procedures (SOP) for Use of the City and County of Honolulu Non-Residency Form will be handed out to all those picking up Non-Residency Forms and is available on the DHR USARPAC Theater Portal at <https://portal.usarpac.army.mil:36000/imcom-pacific/Garrisons/Hawaii/hiHROffices/USAGHIPUB/default.aspx>.

Requirements of this SOP are mandatory for using units and Soldiers/qualifying spouses. All G/S-1 offices and PACs should have copies of this SOP and ensure widest distribution to Soldiers/spouses as needed. The intent of the SOP is to ensure that all offices handle the form in a consistent manner and that the forms are properly completed so that Soldiers are not inconvenienced at the DMV by having a form refused. This will also assist the Hawaii DMV in providing quality service to their military customers. Provisions of the SOP are mandatory. For further information, please contact Mr. Don G. Boyer, USAG-HI Forms and Publications Control Officer, DHR, ASD, at 656-0334 or don.g.boyer.civ@mail.mil.

12. TRANSFER OF FISCAL YEAR 13 FILES AND CY 13 FILES TO RECORDS HOLDING AREA (RHA), BLDG. 6042, EAST RANGE. Units/Organizations having eligible records/files ready for transfer to the RHA are reminded that contents in boxes will conform exactly with the accompanying SF 135-A (Records Transmittal and Receipt). SF 135s require review and approval by the appropriate command records management officials (RMOs) as prescribed in AR 25-400-2, Army Records and Information Management System (ARIMS), 02 Oct 2007. Only eligible records IAW ARIMS will be accepted at the RHA for temporary storage. The RHA does not have extensive shelving space and only prescribed records in ARIMS will be accepted; all others will remain in their current filing areas until ready for disposal by the proponent. Records Management Officers will ensure that records and files are properly arranged and packed in boxes in accordance with AR 25-400-2 prior to shipment to the RHA. All printing on the outside of the boxes will be neatly written. Records will be packed in shipping boxes (NSN 8115-00-117-8249) only. Boxes may be procured from the General Services Administration (GSA) at Schofield Barracks or Hickam Air Force Base. Before any records can be accepted at the RHA, the Directorate of Human Resources, Administrative Services Division requires a signed Memorandum of Agreement (MOA) between the proponent office and DHR stating that the expense to destroy records will be the responsibility of the proponent as will providing the necessary manpower to complete the shelving or removal process. Other details may be required. Arrangements for turning in records to the RHA, for records disposal and for developing the required MOA requires prior coordination by telephone or email with the USAG-HI Records Manager, Ms. Anna Tarrant at 655 - 5033.

15. SUBSTANCE ABUSE AND THE WORKPLACE: A HARMFUL COMBINATION. USAG-HI is committed to providing a safe, healthy and drug-free working environment and wants to take this opportunity to remind employees about the importance of working drug free to their safety and that of their co-workers. Some of the potential risks and hazards of workplace alcohol and drug use are obvious, particularly those related to safety. Alcohol and drug use can seriously impair judgment and coordination, which can lead to workplace accidents, injuries and even death. And a person does not need to be an alcoholic or drug addict to create safety hazards. For example, someone who still has alcohol in their bloodstream from drinking before they were on the clock may not be in any condition to work safely. But the problems extend beyond safety. Workplace alcohol and drug use can weaken an organization's ability to operate profitably and productively. It is also associated with lower levels of employee morale—not only that of employees struggling with alcohol or drug problems, but also those who work alongside them. Key to preventing these problems is for all employees to understand that there is help for those struggling with alcohol and drug problems. If you (or someone you know) are struggling to work drug free, call 1-800-662-HELP (1-800-662-4357) or visit www.findtreatment.samhsa.gov.

Other sources of help are available at www.dol.gov/workingpartners. Soldiers or family members may contact the Army Substance Abuse Program at the Schofield Barracks Health Clinic, Building 673, on the 1st floor by calling 433-8700 for assistance. D. SOLDIER/FAMILY/CIVILIAN EDUCATION ASSISTANCE

1. ARMY TUITION ASSISTANCE (TA) CHANGES. Schools have until 23 July 14 to sign the new Department of Defense (DoD) memorandum of understanding (MOU) and without a signature will be suspended from GoArmyEd, effective 24 July 14. In addition to the existing requirement to be accredited by an accrediting organization recognized by the U.S. Department of Education (DOE), schools must be approved for Veterans' Administration (VA) funding and certified to participate in federal students programs through the DOE under Title IV of Public Law 89-329. Schools that are not currently approved for VA funding and Title IV certified have 18 months to acquire this approval (by 23 November 2015) and cannot accept new students while in the process of acquiring this certification.

Four major changes pertaining to Soldiers are addressed. They are:

- a. Grades below a C for undergraduate work and grades below a B for graduate work will be recouped for classes with a start date of 24 July 14 or after.
- b. No fees, to include any supporting instructional fees will be paid using TA. The actual cost of tuition up to \$250/semester hour is the only cost that will be funded.
- c. Except in overseas locations, a school seeking access to the installation solely to provide academic counseling or student support services must have a DoD student population of at least 20 military students.
- d. TA must be approved before the start date of the class.

2. FY14 TUITION ASSISTANCE POLICY. On 1 January 2014, the Army's FY14 Tuition Assistance (TA) program will change. These changes are supportive of the intent of the TA program – to provide financial assistance for voluntary off-duty education in support of Soldiers' professional and personal self-development goals within a constrained budget environment. The new policy will allow Soldiers to use TA after successful completion of their first year of service after graduating from either AIT, OCS or BOLC. Soldiers are eligible for up to 16 semester hours per year and they can use TA for a second, higher-level post-bachelor's degree after completion of 10 years of service. The second degree time in service requirement applies to movement from a bachelor's to a master's degree and not from an associate's to a bachelor's degree. Also, the 10-year requirement only applies if Army TA was used to pay for any portion of the undergraduate coursework. Soldiers will continue to receive up to \$250 per semester hour and the current policy limits of 130 semester hours for completion of a bachelor's degree and up to 39 semester hours for a master's degree remain in effect. Soldiers cannot use TA for a second equivalent degree, i.e., no second bachelor's or master's degree. All courses must be part of an approved degree plan. TA cannot be used for first- professional degrees, e.g., PhD, MD or JD. In addition to DA adverse action flags, we will continue our policy to not allow TA for Soldiers who are flagged for APFT/AWCP. The Army will honor TA requests for payment for Soldiers with approved TA requests by 31 December 2013 whose eligibility for TA will be affected by these policy changes. However, no further TA-funded enrollments will be authorized until they meet the new eligibility requirements. For further information, please contact Ms. Chrissy Morris, Chief, Schofield Barracks Army Education Center (SBAEC) at 655-4444.

3. CLARIFICATION OF THE FY14 TUITION ASSISTANCE POLICY ALARACT MESSAGE. The Army has authorized the following policy guidance to clarify issues surrounding the new TA policy rules. Counselors should continue to refer to the FAQ documents to assist in answering questions raised by Soldiers.

a. Soldiers who are currently actively pursuing a graduate degree, but who do not have ten years of service based on their Basic Active Service Date, or Pay Entry Begin Date may continue to receive Federal Tuition Assistance (TA) for graduate classes through the end of FY14, 30 September 2014. Beginning FY15, all Soldiers will be subject to the ten year service requirement for graduate TA if TA paid for a portion of the undergraduate degree.

b. Soldiers stationed OCONUS may continue to use TA for host nation language courses even if they have not yet met the one year service requirement for TA use. No other courses may be taken until the one year service requirement is met.

c. Prior service, regardless of Service, will be used to establish the one year eligibility date for Army TA. TA used while a member of another branch of Service does not have any impact on the use of Army TA.

d. Eligibility for Federal TA will be based on one year of service from the completion of Initial Entry Training (IET). For enlisted Soldiers and most Warrant Officers this consists of Basic Combat Training (BCT) and Advanced Individual Training (AIT). For commissioned officers this is their Basic Officer Leaders Course (BOLC). See the FAQs for the rare exceptions to these policies.

Wellness, Productivity, & You!

Assertiveness: Learn to Say “Yes”

Learning to say “no” is a common assertiveness skill, but also learning to say “yes” and asserting yourself is key to taking advantage of opportunities and experiences you want in your life. Assertiveness is about being aware of your needs and aligning your thinking to match them. For example, is work-family balance an important value to you but you’re always too busy to achieve it? If yes, use assertiveness to grab opportunities for fitting in a family picnic, an evening family card game, or a day together with your family at a farmer’s market. It’s easy to avoid the stress of juggling priorities by simply not doing things like this, but assertiveness can help you behave more opportunistically so things you truly value don’t pass you by, leaving you to regret later what you didn’t do.

Trust in the Workplace: You Have One Second

You don’t have three seconds to make a good first impression. You only have one! A study published recently in the *Journal of Neurosci-*

ence found that the human brain decides whether a person is trustworthy or not almost instantly. To thwart this unfair biological response and be considered trustworthy in the world of work, appear confident, relaxed, and knowledgeable; use a firm handshake; greet others with a smile; and make eye contact. Listen slightly more than you speak, and always practice the most important piece of advice to instill trustworthiness: Be genuine—be yourself.

Would You Make a Good Boss?

Don’t shy away from becoming a supervisor because you don’t possess every required skill. Are you good at explaining things to new coworkers or those learning something new? Do you have good ideas and a way of expressing them in a convincing manner? Do you stay unruffled by politics and frustrations of a bureaucracy? Are you motivated to learn new skills that give you the business acumen necessary to be effective in a managerial role (technology, finance, etc.)? If you believe in your organization’s purpose and don’t fear accountability, and you naturally engage with others and communicate well, then seize your next opportunity to become a supervisor!

Heads Up! 2014 Injury and Fatality Statistics

The National Safety Council recently released *Injury Facts 2014*, a report that details safety statistics and trends across the U.S. Among the more surprising statistics: Poisonings, including those from unintentional opioid prescription painkiller overdoses, were the leading cause of death in 18 states and Washington, D.C. The increase in fatalities corresponds with the increase in deaths from drug poisonings nationwide, including those involving prescription painkillers. Cell phone use is now estimated to be involved in 26% of all motor vehicle crashes—up from 2013. An estimated 5% of crashes involve texting, while 21% involve drivers talking on handheld or hands-free cell phones. In 2012, the number of teen motor vehicle occupant deaths decreased, but motor vehicle crashes remain the No. 1 cause of death for teens. Motor vehicle deaths in 2012 were at their lowest level during the month of February and at their highest in July. The three-day period around New Year's Day sees the highest percentage of alcohol-impaired driving deaths. With baby boomers growing older, the number of elder adult deaths from falls has risen 112% in 15 years. Approximately 15 unintentional deaths occur every hour throughout the year in the U.S. Avoid becoming a statistic by following workplace safety rules and thinking safety at home, at work, and at play.

Stopping Sexual Assault on Campus

One out of every five college students will be a victim of sexual assault—a serious crime. Research shows that 75% of these victims are incapacitated at the time of the crime

by alcohol and/or drug use, and a victim is eight times more likely to be incapacitated by alcohol than by a “predatory drug” such as Rohypnol slipped into a drink. The risk of assault is lowest during the freshman year and rises each subsequent year. A 1972 federal law requires nearly all colleges receiving federal tax dollars to report, investigate, and resolve sexual assault incidents vigorously. Victims have rights to be protected while any investigation ensues. Best prevention tips: Monitor your behavior, maintain situational awareness, and be a friend willing to interrupt a risky situation. A few words may be all it takes. See helpful resources at the new federal website www.notalone.gov, which puts a renewed focus on campus sexual assault prevention and help for victims.

Suicide Prevention: Three Myths You Should Know

The death of comic-actor Robin Williams was a call for education about suicide. Approximately 100

people commit suicide per day in the United States. Dispelling myths is job No. 1. *Myth 1:* If you ask someone if they are having suicidal thoughts, you might prompt them to commit suicide. *Fact:* Asking about suicidal thoughts is the first step toward help. *Myth 2:* Life is precious, so being suicidal means you're psychotic or out of touch with reality. *Fact:* Suicidal persons are in a state of “being overwhelmed” or in pain that is caused by depression, grief, despair, trauma, or other life circumstances. Typically, suicidal persons can state the reasons they feel suicidal. *Myth 3:* Persons who talk about committing suicide are trying to manipulate others. *Fact:* Suicidal persons want the pain to stop, and most who do commit suicide said or did something prior to doing so that indicated their need for help.

Plan a Surprise!

We all love pleasant surprises.

Research shows they play a strong role in our assessment of what makes life happy and meaningful. It turns out that pleasant surprises give life that extra “zing,” which makes it satisfying. The catch—it's not so easy to surprise yourself, but it's easy to surprise others. Remembering this life dynamic can lead to improved relationships. It's that simple. Recall the 1980s “random acts of kindness” craze and the more recent “pay it forward” fad—sometimes experienced at a drive-in window when you are surprised to learn the customer ahead of you paid for your coffee. Whether it's buying flowers or surprising a customer with a token gift, research now points to the power of a pleasant surprise to add “zing” to everyday life. Use it!

For Family Members:

The Comprehensive Soldier and Family Fitness (CSF2) program represents the Army's investment in the readiness of the force and the quality of life of our Soldiers, their Families and Army Civilians. The program is designed to increase your physical and psychological health and resilience, while enhancing performance, both in combat and in life.

The intent of CSF2 is to ensure all members of the Total Army are best prepared to deal with the rigors of the Army profession. CSF2 empowers members of the Total Army to maximize their potential and face challenges that arise while deployed or at home.

A key element of the program is the Global Assessment Tool, or GAT 2.0.

Why am I taking this?

By taking the GAT 2.0 you learn your level of physical and mental fitness. You receive a personal assessment in each of the five dimensions of strength (emotional, social, spiritual, family, and physical). You will also get your RealAge®, which, based on your survey answers, tells you your biological age compared to your calendar age. You also see how you are doing with regards to the three elements of the Performance Triad – Sleep, Activity, and Nutrition. Over time, after receiving training and engaging with the wide range of tools and resources available within ArmyFit™, you are able to re-take the GAT 2.0 and track your improvement.

Are my answers REALLY confidential?

Yes, we guarantee it! The feedback from the GAT 2.0 is for YOUR self-awareness, which is why we want you to answer the questions honestly. The protections in place ensure that no one, to include your peers, friends, or family members can access this information.

How can I get access?

There is a version of the GAT 2.0 for Family members available to Army spouses registered in DEERS. You can access the GAT 2.0 from any computer with an Internet connection at the following site:

<https://armyfit.army.mil>

There are two login options:

- Common Access Card (CAC)
- Self-register with a Username and Password (this option relies on authentication with DEERS)

Do I need any additional information?

Yes. We've added some new questions to give you more detail on your overall health and fitness. You may want to prepare the following information:

- Height and weight
- Blood pressure
- Cholesterol

I took the GAT 2.0. Now what?

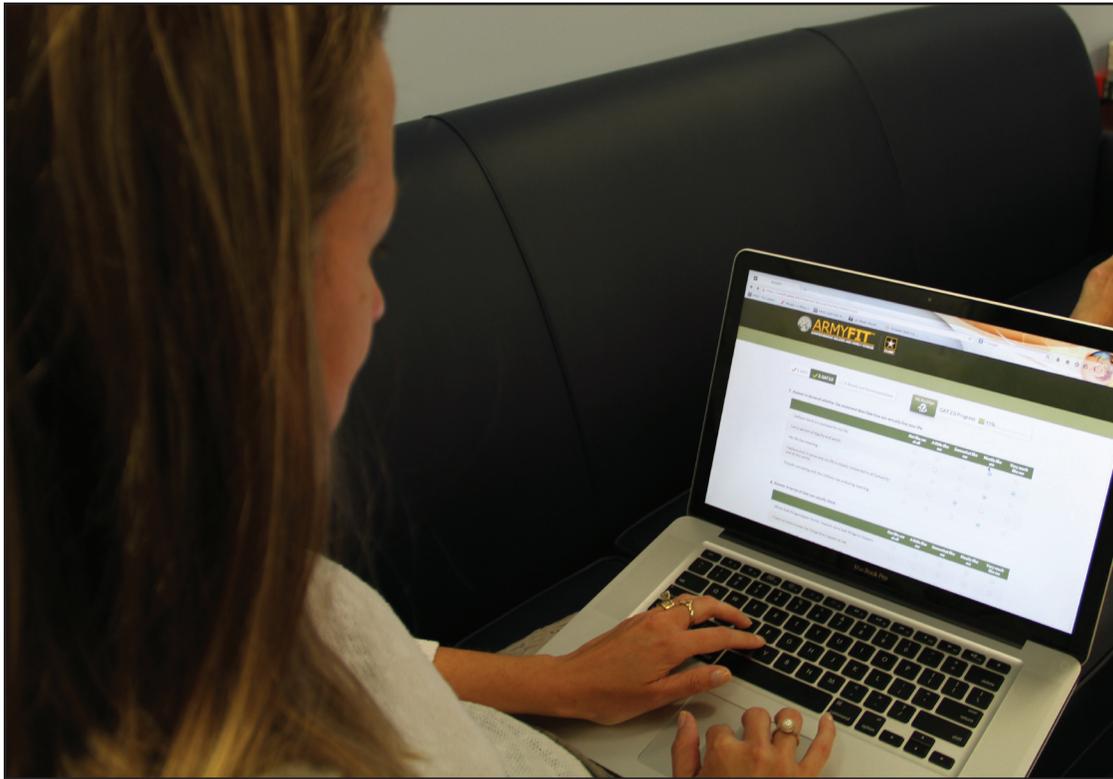

No matter what your level of overall fitness is, there's always room for improvement. The GAT 2.0 is part of the ArmyFit™ online self-improvement platform. ArmyFit™ offers tailored recommendations based on your GAT 2.0 scores, to include recommendations for Comprehensive Resilience/Performance Modules (CRMs) to view, experts to follow, and communities to engage. You can also blog, access online

resources and fitness experts, and take on self-improvement challenges with others on ArmyFit™. Users can also join online health and fitness communities with a wide range of resources from both the Army and civilian world.

GAT 2.0 is for Spouses, too!
