Anti-terrorism exercise at Schofield Barracks

SCHOFIELD BARRACKS, Hawaii – Army officials are conducting an anti-terrorism exercise here, Monday and Tuesday, causing heightened security at the Schofield and Wheeler Army Airfield gates.

Motorists entering the installations or driving in the area may experience traffic delays Tuesday between the hours of 11 a.m. and 3 p.m., as a result of this exercise.

U.S. Army Garrison-Hawaii is asking drivers for their patience and understanding.

The garrison conducts its annual anti-terrorism exercise to raise awareness and prepare the community and workforce to effectively respond to terrorist incidents.
