FOR IMMEDIATE RELEASE

Noise Advisory for Kauai

SCHOFIELD BARRACKS, Hawaii – Residents in the vicinity of Lihue and Barking Sands on the Island of Kauai may experience periodic increases in noise from approximately 6 a.m. - 11 p.m., Jan. 25-31, as a result of scheduled aviation training.

Helicopter crews with the 25th Combat Aviation Brigade, 25th Infantry Division will be conducting joint training with the U.S. Navy during the integrated maritime exercise Koa Kai 14-1 near Hawaii.

Please note, the training dates are subject to change. Additionally, overcast conditions may increase noise and vibrations.

The Army in Hawaii appreciates the community's understanding and continued support of local Soldiers and their families. While sometimes loud, the sounds of training represent how the Army ensures our nation's Soldiers are ready to accomplish the mission and return home safely.

To report concerns related to noise or training, please call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at 656-3487. The USAG-HI Public Affairs Office will contact you about your concern during regular business hours, Monday through Friday, 8 a.m.- 4 p.m.
