FOR IMMEDIATE RELEASE

Noise Advisory for Wahiawa

WHEELER ARMY AIRFIELD, Hawaii – Wahiawa residents neighboring the Army's East Range may experience periodic increases in helicopter activity, Sept. 25, between 6:30 a.m. and 10 a.m., while Army Chinooks, or CH-47s, support infantry training there.

Please note the training date and times are subject to change due to environmental conditions.

The Army in Hawaii appreciates the community's understanding and continued support of local Soldiers and their families. While sometimes loud, the sounds of aviation represent how the Army ensures our nation's Soldiers are ready to accomplish any mission.

To report concerns related to the aircraft movement or aviation noise, please call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at 656-3487. The USAG-HI Public Affairs Office will contact you about your concern during regular business hours, Monday through Friday, 8 a.m.-4 p.m.
