FOR IMMEDIATE RELEASE

Noise Advisory for Wahiawa

WHEELER ARMY AIRFIELD, Hawaii – Residents in the vicinity of southern Wahiawa may experience periodic increases in aviation noise Friday morning between 6:30 a.m. and 10 a.m. while Army Chinook's, or CH-47s, perform flight operations in an Army training area south of Wahiawa.

Please note the training date and times are subject to change due to environmental conditions.

The Army in Hawaii appreciates the community's understanding and continued support of local Soldiers and their families. While sometimes loud, the sounds of aviation represent how the Army ensures our nation's Soldiers are ready to accomplish the mission.

To report concerns related to the aircraft movement or aviation noise, please call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at 656-3487. The USAG-HI Public Affairs Office will contact you about your concern during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

For questions regarding the training activity, please contact the 25th Combat Aviation Brigade, 25th Infantry Division Public Affairs Office at (808) 656-6663.
