Aerial Operations Advisory for the Waianae Coast

WHEELER ARMY AIRFIELD, Hawaii – The U.S. Army will be conducting aerial and ground training operations as part of a military training exercise at Makua Military Reservation, November 12-19.

Please note movement dates are subject to change. The training is contingent on environmental conditions that may affect the flight times.

The Army in Hawaii appreciates the community's understanding and continued support of local Soldiers and their families. While sometimes loud, the sounds of aviation represent how the Army ensures our nation's Soldiers are ready to accomplish any mission.

To report concerns related to the aircraft movement or aviation noise, please call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at 656-3487. The USAG-HI Public Affairs Office will contact you about your concern during regular business hours, Monday through Friday, 8 a.m.-4 p.m.
