FOR IMMEDIATE RELEASE

Training Alert for Schofield Barracks, March 31-April 3

SCHOFIELD BARRACKS, Hawaii (March 31, 2015) — Local service members are scheduled to conduct field artillery training, here, March 31 through April 3.

The Marine Corps is planning to conduct live-fire artillery training between approximately 7 a.m. and 10 p.m.; however, training dates and times are subject to change based on environmental and other factors.

Intermittent training noise may be heard in surrounding communities. If individuals hear noise, there is no immediate danger. Weather, such as overcast conditions, can increase noise and vibrations.

The military services in Hawaii appreciate the community's understanding and continued support of local service members and families. While sometimes loud, the sounds of training represent how the military ensures the nation's service members are ready to accomplish the mission and return home safely.

To report concerns related to noise or training, community members can call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at (808) 656-3487 or email usaghi.pao.comrel@us.army.mil. The USAG-HI Public Affairs Office responds to all reported concerns during regular business hours, Monday through Friday, 8 a.m.-4 p.m.
