August training advisory for Schofield area

SCHOFIELD BARRACKS, Hawaii (Aug. 7, 2015) — Local service members are scheduled to conduct various training here in August that may be heard by surrounding communities.

For the community's awareness, the training is as follows. Please note, all training dates are subject to change based on environmental and other factors:

- Aug. 8, 10-11: Army demolitions training
- Aug. 10-14: Army mortar training
- Aug. 15-16: Army artillery training and Army demolitions training
- Aug. 17-21: Marine Corps mortar training

Should individuals hear noise, there is no immediate danger. Weather, such as overcast conditions, can increase noise and vibrations.

The military services in Hawaii appreciate the community's understanding and continued support of local service members and families. While sometimes loud, the sounds of training represent how the military ensures the nation's service members are ready to accomplish the mission and return home safely.

To report concerns related to noise or training, community members can call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at (808) 656-3487 or email usaghi.comrel@gmail.com.
