**Hunting at PTA closed through May due to training**

**POHAKULOA TRAINING AREA, Hawaii** – Hunting will be closed, here, through the end of May due to military training.

Army officials anticipate resuming hunting June 4, pending training area availability.

The Army typically opens PTA for hunting most weekends; however, hunting opportunities here are subject to service members' training needs and schedules, which take priority.

For the latest hunting information, visit PTA's iSportsman web page at <https://pta.isportsman.net>.
